Biographical History

Erich von Stauffenberg was born in Garmisch-Partenkirchen, Bavaria on October 17, 1933. He owned Eclipse Photography and was the official still photographer for the Alaska Community Theater Festival, served as a personal photography guide in the Chilkat Bald Eagle Preserve, and was the still photographer for the Disney movie, "White Fang." von Stauffenberg managed the Chilkat Center for the Arts through the Foundation for the Chilkat Center for the Arts, a private non-profit he organized and served as president of, from 1995 through 2000. He was also the first CEO of the Alaska Chilkat Bald Eagle Preserve Foundation. He operated the fuel dock in the boat harbor for Delta Western from April 2008 until October 2010. Most notably, in 1995, he was instrumental in von Stauffenberg v. The Committee for an Honest Ethical school board, a case involving a controversial local school board recall election that was heard by the Supreme Court of the State of Alaska which ruled in von Stauffenberg's favor. He died June 15, 2011.
